If you find inaccuracies in our frequently asked questions, let us know using our contact form. What size needle should I use? The proven size of the needle depends on the fabric. For thicker tissue, you will need a needle thinker. The use of the needle is often mentioned on the packaging. It was useful (395) How long does the sewing machine needle? Tested This varies between manufacturers, but in general the needle will last about 8 hours. It may take longer for the needle to break, but before that it will become blunt and can damage the fabric. It was useful (220) Do I need to turn my singer sewing machine completely off to replace the needle? Checked You can change the needle after turning off the product with a switch. When cleaning a product, you should disconnect it from the power supply. It was useful (210) My needle continues to break, what is the reason for this? Tested There may be different reasons for this. The needle may not be correct for the selected fabric, the needle may have been fitted too low, the fabric may not be properly guided or the bobbin case can be placed incorrectly. This was helpful (12) This guide was originally published by Singer. When I first wrote this post on my Fashion Mate 257. I would never guess how popular this post has become. I'm amazed that I've been still getting comments since posting the article back in 2009. I know I had leadership during my fashion college days, in my twenties. Somewhere between that time and over the 25 movements that brought me through Canada, it was lost. You can find this guide online for the price, but why would you do that? When you can download it for free! Here, directly from the web page of the fashion singer Mate 257 guide ... I want to thank everyone for their comments and stories (don't stop, it's so nice to read the comments) and I'm so excited that you all enjoy Fashion Mate as much as I do! Happy sewing! \$4.99 is a download file. Please check your email after purchase. Singer 257 Fashion Mate Sewing Machine Instruction Guide. Examples include: Getting to know your car. Carving your car. A meandering bobbin. Flow tension adjustment. Choosing a needle and a thread. Installing selectors. Pressure on your feet. The basic details and what they do. Stitching apps. Stretched seams. Zigzag. Replacing a light bulb. Performance checklist. Cleaning and oiling. More. More. Mate Sigzag. A 44-page guide to learning. Bobbin Thread - Singer 257 Fashion Mate Sewing Machine Instruction Guide winding bobbin 1. Lift the presser's leg and turn your hand towards you until the needle is in the highest position. 2. Loosen the handle of the hand wheel by turning it towards you with your right hand, holding the wheel of the hand with your left hand. 3. Open slide play enough to make the bobbin available and lift the bottom. 4. Close slide plate 5. Place the thread of the coil on the coil pin over the felt. Lead the thread around Bobbin Winder stretching the disc and through a small hole in the bobbin from the inside. 6. Place the bobbin on the spindle and move the bobbin Winder lever to the right. 7. Keep the flow and start the machine. Cut the thread and after a few coils there were wounds. 8. When the required amount of thread has been wound, the winding will stop when Bob it is full. Stop the machine and cut the connecting thread. 9. Move the Bobbin Winder lever to the left and remove the bobbin from the spindle. 10. Hold the wheel of your hand and tighten the handle of the steering wheel. Case 1 bobbin carving. Hold the bobbin so that the thread unwinds in the direction shown and put the bobbin in the bobbin case. 2. Pull the thread into the notch and pull it back under the voltage spring. 3. Go thread over the second noting and draw about 4 in a thread diagonally through the bobbin. 4. Close the slide plate, allowing the thread to enter the slot between the throat plate and the slide plate. Plate.
